Fwd: **Thinking**
with Kindra Hall

The next session of Fwd: Thinking kicks off on **June 17 at 2PM ET/11AM PT**, and you won't want to miss it.

Kindra Hall, *Wall Street Journal* best-selling author and award-winning storyteller, will show you how to turn overlooked brand moments into powerful marketing that creates real connections.

This isn't another "storytelling is important" talk. It's a practical, repeatable approach that will change the way you think about connecting with your audience — and give you the tools to do it better.

There's still time to **grab your spot to join us live** but don't wait. This is your chance to reimagine how you tell your brand's story and make it one your audience can't forget.
